Management System

ISO 9001: Quality management system

ISO 14001: Environment Management System

OHSAS 18001: International Occupational Health and Safety Management System

Founded in 2010, LH Energy is the world's leading comprehensive solutions provider for solar energy. We believe close cooperation with our partners is critical to success. LH Energy now distributes its PV products to over 60 countries all over the world. LH Energy is able to provide exceptional service to each customer in each market and supplement our innovative, reliable products with the backing of LH Energy as a strong, bankable partner. We are committed to building strategic, mutually beneficial collaboration with installers, developers, distributors and other partners.

Product Certifications

CE

SGS

PERFORMANCE WARRANTY

12-year Warranty for Materials and Processing;
25-year Warranty for Extra Linear Power Output.
